### GHOST HUNTERS INTERNATIONAL VISITS HELL'S GATE AIRTRAM

In the fall of 2011, Pilgrim Films & Television, Inc from Los Angeles the (producers of "Ghost Hunter's International") chose Hell's Gate Airtram in Fraser Canyon to showcase on their popular paranormal TV show.

The BC Ghosts and Hauntings Research Society (or BC Ghosts) was invited to tag along as we have been involved right from the beginning when Hell's Gate Airtram decided to go public with their ghostly activity in 2007.

It was a real eye-opening experience and quite fun to meet such popular celebrities such as Barry Fitzgerald, Joe Chin, Paul Bradford and Kris Williams. Its going to be interesting to see what they've discovered!

Stay tuned – the show will air in the first week of April.

*Viewers are asked to check their local TV listings for times and channels in their area as these are subject to change.*
